#### LEVERTON HALL KITCHEN

We are nearly there, a few small finishing touches to complete and new, more eco friendly fridge to install. There are easy guides and fuller instruction booklets in the kitchen. However, if you would like further instruction on using any new equipment please speak to Ian Lapworth.

#### Garden of Remembrance

You may see that we have dug out some new flower beds adjacent to this area and placed a bench there for quiet contemplation. We would like to plan the beds with shrubs such as buddleia and sedum, which will be attractive to bees and butterflies. If anyone would like to sponsor this planting area in memory of a loved one, please put your contribution in an envelope marked 'Garden of Remembrance' and pass to Pat Lapworth on a Sunday morning.

Waverley BC, faced with a reduction in government funding, wants to make sure it understands how local people value specific service and how changing or reducing any of its non-statutory services would impact on the community. The council wants to hear your views about services; including grants to local voluntary organisations, arts, cultural and community groups; enforcement services such as hygiene inspections and planning enforcement; and maintenance services such as street cleaning, grass cutting and conservation of the countryside.

The survey is available online at [www.waverley.gov.uk/spendingsurvey](http://www.waverley.gov.uk/spendingsurvey)
