

After Alpha – What next?

We plan to run Alpha each year at around the same time so look out for notices in September.

Most other courses we put on are a mixture of stimulus (usually video) and discussion in which a variety of viewpoints is expected and welcome and these are advertised on our website

www.cofewrecclesham.org.uk Two we have planned are:

Why do we do what we do? (6 fortnightly sessions)

Six fortnightly sessions at the vicarage looking at the things we do in church that can help us to grow in faith and understanding. Sessions start on Wednesday 8th January and end on Wednesday 25th March but switch to Tuesday 25th February in the fourth week, just to keep us on our toes.

Bible Blitz (8 Weeks. Dates to be decided)

Scream through the Bible in eight sessions. When we hear a bible reading in a Sunday or even when we read a bit from the Bible for ourselves we may think, “Sounded Good, nice words, but what was **that** about?” This is often because we don’t have “The Big Picture” and so don’t see where it fits in. The Bible Society’s “The Bible Course – explore the BIG story” gives us that picture, so that we can see how everything fits together and makes sense. Through videos and discussions, five on the “Old Testament” and three on “The New” we get the “view from a height” that stops us getting lost. No bible knowledge needed.

Small Groups

We also have one “Small Group” (more if demand increases) which meets in one another’s homes and in which we study material the group chooses (usually biblical) and share our thoughts, questions and experiences. Like Alpha without the meal (although there is usually cake) and without the videos. Anyone can join us, we are not cliquey.

Services

Anyone can come to any of our church services without fear of either being ignored or pounced on! Some bits can seem a bit strange at first, like anything new, but the people are friendly and probably find some bits strange themselves, although these bits tend to grow on you
