

## OLD (TESTAMENT): DEUTERONOMY

### **A DASH THROUGH DEUTERONOMY: A SIX WEEK ONLINE STUDY ON ZOOM STARTING THURSDAY 29th APRIL AND ENDING 3<sup>rd</sup> JUNE, STARTING AT 8.00 PM.**

No, not T.S. Elliot's "Practical Cat", but the fifth book of the Old Testament.

The book of Deuteronomy summarises Israel's history, reaffirms their covenant with God as they prepare to enter the promised land and spells out the consequences of their not holding to their part of this. Jesus often quoted Deuteronomy: during the temptations and in both quoting and alluding to it in his responses to questions and criticisms, where he often added a new twist to its teachings. Clearly it is an important book, but it is also a long one. Following guidance from the Bible Society we will be looking at selected parts of the book chosen to give a balanced overview of its content and we will look at how it might guide us today.
